PRELIMINARY AMENDMENT

Seattle, Washington 98101

August 12, 2002

TO THE COMMISSIONER FOR PATENTS:

Prior to examination on the merits of the CPA filed contemporaneously herewith, please amend the above-identified application as follows:

In the Claims:

Please amend Claims 1, 4, and 5, cancel Claims 18-21, and add new Claims 22-41 as shown below:

1. (Twice Amended) A printed document or other device comprising a substrate to which printed matter is applied, said substrate having a first side and a second side, a reflective or brightly coloured layer which is printed onto one side of the substrate without embossment, and a raised image printed to said reflective or brightly coloured layer by a printing process, at least part of said raised printed image having a height of at least 5μm and being visible from all angles of the document, said raised printed image being enhanced by said reflective or brightly coloured layer when viewed at different angles and under different lighting conditions.

4. (Amended) The document of Claim 1 or 2, wherein the substrate is a plastics film capable of use to form a banknote, the reflective or brightly coloured layer being printed over an opaque ink layer applied to one side of the substrate.
